omitted in the list of teachers originally recommended by him for allowances. He then recommends that Mr. Venkatasubbaya may also be given an allowance of Rs 15 p.m.

2 This is another belated proposal of the Dgl received in the office long after the Budget has been considered in Council.

3 Mr. Venkatasubbaya has received training in Kindergarten teaching under the late Miss Latter and he received an allowance of Rs 75 per mensem for about 5 months from November 1907 for giving instruction in kindergarten methods to the teachers. A sum of Rs 1000 has been sanctioned for similar instruction during 5 months in 1908-09 and Mr. Venkatasubbaya will receive the same allowance for these 5 months. It is therefore

Doubtful whether he should be given the allowance for Sloyd work when he has not undergone full training under Dr Larson. If it is decided that he should get this allowance also, the I G should be asked to meet the charge by Reappropriation from the sanctioned grants

Draft under preparation

In continuation of my letter No 7935/537 of 26th March 08 recommending an allowance of Rs 10/ a month for each of the Teachers who are to teach sloyd I have the honour to state for your information the name of another useful teacher who has received training under Dr Larsson was omitted to be mentioned in the list of teachers recommended for sloyd allowance

2 This teacher is Mr M Venkatasubbaiya B A (Oriental), Assistant Master

Normal School Mysore He was selected along with the other teachers for training under Dr Larsson But after he had been through the short course for teachers he was called away from the Sloyd class to help Miss Latter and afterwards to deliver Kannada lectures on Kindergarten methods and principles to a class of female teachers in Mysore as well as to the Vernacular teachers that were assembled in the Mysore Normal School Dr Larsson has given him a certificate to the effect that he has undergone the teacher's course in Sloyd and is capable even at present of teaching the Subject

3. When the Sloyd class is opened in Mysore he will complete his own training in Sloyd and also help as a teacher He will make a good teacher of sloyd and teach the Subject as well as or even better than many of the other teachers trained in Dr Larsson's class

4 I therefore beg to recommend that Government may be pleased to sanction for Mr Venkatāsubbaya, a monthly allowance of Rs 15/-, in addition to his pay, for the special sloyd work he will be required to do, as in the case of the other teachers referred to in my letter No 7938/537 of 26th March 1908
